### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art fails to teach or fairly suggest the claimed invention as a whole including an altitude sensor that detects the flight altitude of the aircraft, an ambient temperature sensor that detects the ambient air temperature of the aircraft, and a fuel supply amount reduction means for reducing the amount of fuel to the engine from a value determined by the engine output power requirement in accordance with the ambient air temperature when the flight altitude is higher than a predetermined altitude, in the context of a fuel supply control device for a turbo-charged diesel aircraft engine.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
